## Remembrance

# Sunday

To go with our theme of 'Judging' in our service today, play a game of guess who! If you don't have it, why not make your own? Draw pictures of people in your family and play it that way.

On the next few pages are a couple of Remembrance Sunday craft ideas. I would love to see what you decide to make!

### ESS CARTON POPPY MEMORIAL DAY WREATH

#### \*SCHOLASTIC

#### Make your own poppy

You will need: two 12cm squares of red paper; a small piece of black paper or card; a green (or painted) pipe-deaner; glue; scissors.

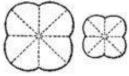

Fold the two squares of red paper into quarters, then diagonally into eighths.

Oraw curved lines on the two folded squares. Make one bigger than the other.

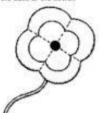

- Cut the folded squares along the lines. Unfold the shapes.
- Glue the smaller shape inside the targer shape.

- Gut a small circle of black paper or card and glue in the centre of the circle.
- Glue or tape the pipe-cleaner to the back of the flower.
